

G.A.P. ~ GANG AWARENESS & PREVENTION

EZEKIEL 22:30

We stand in the gap for youth

GANG AWARENESS TRAINING

A 2-hour training that will provide participants with an insight into the complex nature of gang and street lifestyle. Also, an understanding for the reasons youth join this sub-culture and the philosophy and mindset that keep them there until they go to prison or experience a violent end. You will learn the behaviors, codes of conduct, loyalties and vows youth live by. Detect gang presence in your neighborhood, schools and in your home!

Most importantly, you will be given resources, instructions and direction on how to prevent this from happening with those you know; as well as, methods to help loved-ones escape involvement.
