Volume 5 Issue 2 G.A.P. ~ Gang Awareness & Prevention

## ANNOUNCEMENT

**Hustle Culture** is in full swing for the 2025 year!

Envisioned to enlighten students to the entrepreneurial world at a local level.

What is *Hustle Culture*? Monetizing your talents. Plain and simple.

Why? To teach teens what it could mean to rise to the challenge of utilizing their inner gifting so that they can broaden their horizons. So, they don't leave their talents dormant OR worse turn to illegal methods to earn money.

These students inside the SCUSD – (Sacramento Unified School District) are full of energetic abilities; but often they are not attained. Our aim is to help them envision what it would look like IF they followed through on their ideas. What success is when you do things the right way.

Taught by those who have been in their shoes, we let the kids meet people who are making it happen in the Sacramento area.

## About

**We are a faith based organization and 501 (C)(3) Non-Profit: TAX ID #94-3325226 {as a Ministry under Victory Outreach of South Sacramento}**  
**We offer help to parents and guardians; and find alternatives for children to keep them from getting into trouble. These are taught by those who have learned the hard way how to make the right choices.**

**Our desire is to reduce the endless recidivism among youth who enter juvenile incarceration in the Sacramento region by providing alternatives to finding trouble by reaching them on the 'outs'.**

**Mentoring: We have a team of men and women who will counsel youth in changing their destructive lifestyle, as well as helping them grow spiritually.**

**A word from the Director~** *Become a Mentor to help rescue a young person who is crying for help. One soul at a time!*

Calling is the truth that God calls us to Himself so decisively that everything we are, everything we do, everything we have is invested with a special devotion and dynamism lived out as a response to His summons and service." Oz Guinness
